Rally's: Some Rally's seem to be dwindling in numbers attending so there is discussion on having Regional Rally's, as well as their individual Rally if they want to. This is a great way to get together with neighboring states. To finance this each state involved could contribute an amount decided upon and then if there is money left over it would be divided by the states that contributed. This is something to think about for the future. Regional Rallies are already being held in the Northeast.

**NEW BUSINESS:**

A motion was made by the Bell Ringers to donate the monies collected from the name tags (those being caught without their name tags) be given along with the Church Service monies rotation. Black River Ramblers seconded. All ayes.

**Nominations for State Director** (Karen Welcing) One nominee accepted the nomination and that is Robert Rue. His name has been submitted to Linda Albright.

**2015 Samboree**: 116 Rigs are here. The Fairground people are great to work with here and Wayne hopes we can come back sometime in the near future.
